Seascape is a charming five-bedroom beachfront home nestled along the tranquil shores of Bath Beach on Barbados' East Coast. Known for its year-round cool breezes and breathtaking scenery, this property offers the perfect retreat for those seeking a holiday home in paradise. Designed for versatility, Seascape is spread over two floors, each with its own kitchen. The ground floor features two bedrooms, while the upper level boasts three bedrooms and an expansive ocean-facing patio—an idyllic space for relaxation, where you can soak in uninterrupted views of the sea. The home's layout allows for use as a single spacious residence or as two separate self-contained apartments, making it ideal for rental income or extended family stays. Set on approximately 8,800 sq. ft. of prime beachfront land, Seascape enjoys a privileged position with stunning coastal vistas. Just steps away, one of Barbados' most scenic hiking trails begins at the end of Bath Beach, leading adventurers along a picturesque route toward Bathsheba and Cattlewash, following the historic path of the former railway line that once connected Bridgetown to Belleplaine. Whether as a serene getaway or an investment opportunity, Seascape captures the essence of Caribbean coastal living.
