With rooftop terraces, private pools, and a clean, modern design, these homes strike the perfect balance between lock-up-and-go simplicity and elevated island living. Each home which span over four floors - including a roof terrace, is generously scaled with open-plan interiors, spacious en-suite bedrooms, and seamless flow to outdoor living areas. Every residence boasts its own rooftop terrace with sparkling sea views and a private plunge pool, perfect for morning coffee, sunset cocktails, or full-on holiday mode. Sold with appliances only, buyers have the flexibility to furnish as they wish, with curated furniture package recommendations available upon request. Whether you're designing your dream island home or optimizing for rental, the choice is entirely yours. Offering full freehold ownership, Seastar Mews is tailored for those seeking a true residence. Long-stay living, flexible rental options, and low running costs mean this is a home that works just as beautifully as an investment. Brought to you by a developer with a standout track record, including Brownes Condos, Seahorses, and WIMBA, buyers can move forward with confidence.
