

Clearwater Bay, Batts Rock

US \$9,999,000

St. James, Prospect

Ref: 2100258

Wonderful beach front site of approximately 4.5 acres offering good frontage and access to a lovely white sand beach. This site has been approved for development of 10 residences. This land is situated just to the north of the planned Four Seasons Hotel and Villas site and offers an excellent opportunity to be developed as a private residence or multi-units. The property offers easy access to the many other beautiful "West Coast" beaches and attractions.
