Property Description

Location: 229 Flamboyant Avenue, Sunset Crest, Holetown, Holetown, Barbados

Welcome to Sea Salt Studio 6, White Cap. Sea Salt Studios is a collection of six boutique studios located in the heart of Holetown, Barbados. Our modern holiday concept allows you to scale up amenities and services to fit your specific goals. The space White Cap is a stunning studio and one of the most beautiful Airbnbs in Barbados. Nestled on the second floor of an incredible garage transformation, it's our only studio with a private terrace complete with sun loungers and lush tropical views. The studio is fresh, filled with sunlight and features blackout curtains for afternoon naps. The kitchenette is appointed with necessities for short stays and can be upgraded for longer holidays. For additional cooking flexibility, guests can rent a portable cooktop, non-stick pan and pot, and/or access the gas grills in our garden, with a grill-cleaning fee. These upgrades are arranged in our on-site office after arrival. Your cleaning fee of US100 allows for detailed cleaning after your departure. In addition, we'll require one weekly cleaning visit for every seven (7) day period. These visits, which are less detailed and include fresh linen and towels, are US50 and arranged before you book your stay. Your studio also features basic cleaning tools and supplies so you can maintain a tidy space during your stay. Guest access Guests of our White Cap studio have access to the entire studio and private rooftop terrace with two sun loungers, umbrella and table. In addition guests get one free parking spot right out front and access to the full guest garden, gazebo, outdoor dining tables, sun loungers and umbrellas. *Rates may be subject to change at any time. Special Rates may apply to peak holiday periods.*
