The space Our villa comes with a bonus Beach Club Membership located next to the Beach House Grill. This gives our guests access to a beautiful ocean-front pool with loungers and restaurant and bar service. The villa is furnished and well appointed with cooking essentials. It features a fresh and spacious kitchen and plunge pool for dips in between outings. A large private deck beside the kitchen offers lush views of palm trees and gardens, ideal for family meals. Every part of the villa is designed with guests in mind, including thoughtful amenities to enhance your experience such as fresh linen, towels and a starter supply of coffee, soap and paper products. The large master bedroom features a work desk and double French doors for a tropical breeze. Both bedrooms have air-conditioning for your sleeping comfort and ensuite bathrooms making it ideal for couples and families. Guest access Guests have exclusive access to the villa, courtyard and pool; as such, this villa is priced higher than the other villa (see our profile for that listing). The large driveway is shared with our two other villas and features ample parking at your door step.
